Part Number	Description
10JS2502	GSM All Suture 2.5 mm Anchor, SH, double loaded
10J25002	GSM All Suture 2.5 mm Anchor, double loaded
10JS2503	GSM All Suture 2.5 mm Anchor, SH, triple loaded
10J25003	GSM All Suture 2.5 mm Anchor, triple loaded

The Genesis All Suture Anchor consists of one “fix suture” and two or three non-absorbable sutures. The non-absorbable suture is manufactured from UHMWPE. The Genesis All Suture anchor is implanted using its self-punching option. They are pre-loaded on a handled insertion device. This device is provided sterile, for single use only. This device is a medical device. Prescription use only.
